

CNC Milling

Workshop 03: CNC Milling

Date: Saturday Mar 8th, 2014

Time: 2pm-4pm

Location: Pratt - HHS 111

Software:

Rhino 5 + RhinoCAM

Description:

This workshop will introduce participants to the fundamentals of CNC Milling and subtractive fabrication. Preparation and best-practices will be reviewed to help everyone better understand the process for getting a 3D model ready for fabrication within our CNC Milling Shop.

Requirements:

Participants must come with Rhino 5 installed on their laptops and files downloaded prior to the workshop. There will be links to demo versions, resources and content posted for each workshop, so please check the site regularly.

Digital Futures Workshop Series

is brought to you by:

Pratt Institute
School of Undergraduate Architecture

Tom Hanrahan
